Earth Day

What is Earth Day?
Reader:

Read the story to learn about Earth Day. Discuss something new you learned from reading it.

Earth Day Sort:
Cut and glue the sentences under the correct heading.

Save the Earth:
Draw a picture in the blank area. Write three things you learned or three things you can do to save the Earth.

Find a book that you like and take it outside and read it.

RECESS: TAKE A SHORT BREAK & PLAY OUTSIDE (20 MIN.)

How Many Words Can You Make From the Letters in Earth Day?:

Cut out the letters so you can move them around to make new words. Write 10 words you made from the letters. Do not glue them.

Earth Day Word Search:
Find all the words in the word search. Color the boxes in as you find the words.

Earth Day Sentences:
Unscramble the words in order to make sentences. Pay attention to your handwriting and finger spaces.

Vocabulary Match Up:
Match the vocabulary words with the picture/definition. You need to write them instead of cutting and gluing.

LUNCH: TAKE A BREAK AND EAT LUNCH (30 MIN.)

Telling Time:
Write the correct time underneath each clock.

Greater Than Less Than:
Write the correct symbol in the box. Your symbols are $>$, $<$, or $=$. The alligator eats the bigger number

Earth Day Mystery Picture 120's chart:
Fill in the missing numbers and color the chart according to the color guide.

Color the Sum:
Answer the addition problems then color according to the color code.

P.E.: TAKE A BREAK TO GET SOME EXERCISE (30 MIN. TO 1 HOUR)

Recycled Craft Project:
Find items that you plan on getting rid of and create a craft out of them. For example, mason jar pencil holder, or toilet paper roll animals. Use your imagination and produce something fun.

Vocabulary Match Up:
Match the vocabulary words with the picture/definition. You need to write them instead of cutting and gluing.

Earth Day Clean Up:
Take a walk and pick up some trash.

Comprehension Check?:
Answer the question about the What is Earth Day? Reader.

Map Skills/

Wolves

Compare/ Contrast:
Listen to "The Mermaid" and "Goldilocks and the Three Bears". Compare and contrast the two stories.

Reading Comprehension:
Read the passage and complete the questions below it.

The Grumpy Clown:
Read the passage and circle all the -ow/ -ou words. Write 6 of the circled words and draw a picture in the circle next to the word. Don't forget to draw what happened in the story in the box at the bottom.

 Listen to "How to Catch a Mermaid". Then build or draw your best mermaid trap.

RECESS: TAKE A SHORT BREAK & PLAY OUTSIDE (20 MIN.)

Finding Compound Words:
Walk around your house (or outside) and find items that are compound words.

Compound Words:
Use two different colored crayons or markers to color the two words that make up the compound word.

Name the Word:
Use the picture cards to figure out the compound word. You only have to write the compound word on the answer key. Don't worry about writing on the picture cards.

Crab Directed Drawing & I'm Crabby When Writing:
Complete the directed drawing and then use the "I'm Crabby When" page to write what makes your crabby. (Write more than 1 sentence)

LUNCH: TAKE A BREAK AND EAT LUNCH (30 MIN.)

Weekly Math Quiz:
Answer all 8 problems.

Number Order:
Put the numbers in order from least to greatest.

Money- Nickels:
Count the nickels and write how much each set is worth. Don't forget your cent symbol.

Color the Sum:
Answer the addition problems then color according to the color code.

P.E.: TAKE A BREAK TO GET SOME EXERCISE (30 MIN. TO 1 HOUR)

Magical Sea Creatures Nonfiction Reader:
Read the nonfiction reader and discuss something you learned from it.

The World Around Me History:
Read through the passages and answer the questions on the last page.

Magical Sea Creatures Writing:
Inside the rectangle draw what sea creature you were most interested in. Then write two facts about that creature on the lines below the box.

The World Around Me Patriots and Presidents:
Read through the passages and answer the questions on the last page.
